SECTION D COMMUNITY INFORMATION

1. If the community official responsible for verifying building elevations specifies that the reference level indicated in Section C, Item 1 is not the "lowest floor" as defined in the community's floodplain management ordinance, the elevation of the building's "lowest floor" as defined by the ordinance is: 1111.1 feet NGVD (or other FIRM datum—see Section B, Item 7).
Date of the start of construction or substantial improvement _____.
