

# Motorized Cart/Low Speed Vehicle Registration Application

Page 1 of 1

Updated **MAY 2023**

## NOTICE TO APPLICANT

The Motorized Cart Ordinance is available online at [www.pooler-ga.gov](http://www.pooler-ga.gov). Operation is permitted during daylight hours only, unless the cart meets State Law for headlights, taillights, etc. No person under 12 years of age is allowed to operate a motorized cart in the State of Georgia. Persons 12-15 years of age may operate a cart with a licensed parent/guardian in the front seat. State Law requires that low speed vehicles have insurance, registration, and a license plate (not applicable to motorized carts). All terrain vehicles or off-road vehicles can neither be registered for, nor operated on, streets (personal mobility devices or electric wheelchairs excluded). Motorized carts may neither operate on, nor cross, Pooler Parkway or US Highway 80. Motorized carts may not operate on any sidewalks. Stolen carts/decals should be reported immediately. There is a one-time non-transferable registration fee of \$15.00.

*Decals shall be permanently installed and clearly visible on the front driver's side of the cart.*

I, the undersigned, have reviewed the City of Pooler Code of Ordinances, Article II, Sections 82-40 and 82-41. I understand and will abide by both City Ordinances and State Laws pertaining to motorized carts and low speed vehicles. I have been notified that owners are strongly encouraged to obtain liability insurance. I understand that as the registered owner, I accept both legal and civil responsibility for any actions committed during operation and use and understand that I can be charged for any violation under state and local law.
