

Land Disturbance Permit Application

Page 1 of 2

Updated **JUNE 2026**

NOTICE TO APPLICANT

Erosion and Sediment Control plans, along with any supporting data that will affirmatively demonstrate that the land disturbing activity proposed will be carried out in such manner that the Best Management Practices (BMP) minimum requirements in O.C.G.A. § 12-7 will be met, shall be submitted with the application. This application shall only be submitted after the site development plan has been approved.

Affidavit

I certify that I have read and fully understand the requirements of the City of Pooler's Erosion and Sediment Control Ordinance and Program, and I accept responsibility for implementing and maintaining the approved Erosion and Sediment Control Plan for the above-referenced project. I also grant authorized personnel of the City of Pooler the right of entry onto the property described above for the purpose of inspection and monitoring to ensure compliance with the Ordinance. Furthermore, I certify that I, as the plan preparer (or my designated representative), have conducted a site visit prior to the preparation of the Erosion and Sediment Control plans, unless such a visit was not required under applicable rules and regulations of the OCGA.
