LID OPENS TOWARD THE STREET

STREET

Our
automated
arm lifts
your cart
safely.

✗ INCORRECT

LID OPENS AWAY FROM THE STREET

STREET

The
automated
arm can catch
the lid and
break it.

- ✓ The lid opens toward the street so our automated arm can lift your cart safely.
- ✓ Wheels against the curb.
- ✓ Your cart will be serviced.

- ✗ The lid opens away from the street.
- ✗ The automated arm can catch the lid and break it.
- ✗ Your cart may not be serviced.

WHY IT MATTERS

Our trucks use an automated side-loading arm to empty your cart.

When your cart is facing the wrong direction, the arm can catch the lid, causing it to become stuck or break.

BEFORE COLLECTION

-  **LID OPENS TOWARD THE STREET**
Place cart with the lid opening toward the road.
-  **WHEELS AGAINST THE CURB**
Position the cart flush to the curb or edge of the road.
-  **3 FEET OF CLEARANCE**
Leave at least 3 feet of space on all sides of the cart.
-  **KEEP CARTS AWAY FROM**
mailboxes, parked vehicles, utility poles, trees, basketball goals and other obstacles.
